Oh, the Places We've Been .

Congratulations

*Today is your
day.*

*You've been to
great places.*

*Now you're off
and away.*

Todd Hollenbach plus Chrissy Jarema plus Nicole Hodgert equals school spirit.

Craig Hutchinson helps Kevin Arcouette look through the library's new MAC computer manual.

Jamie Scavotto gets high on Mr. Cherry's magic dust.

*You have brains
in your head.*

*You have feet
in your shoes*

Some students look good no matter where they are or what they do. Caitlin Chaffee manages to accomplish this even in Chemistry class.

Jay Cyr listens as his partner confers and offers praise and criticism about his first English essay.

When faced with a difficult problem, Trisha Hall asks Colleen Furey for help. Cooperative learning was encouraged at Fermi.

The world of imagination has always belonged to Mike Wilkins. Mike spent twelve years mastering the art of daydreaming.

Brenda Tenerowicz flashes her cute smile when she's reminded that it's her last year. At times the pressure of academics effect all of us. Most of us did smile.

Now you can go
In any direction
You choose.

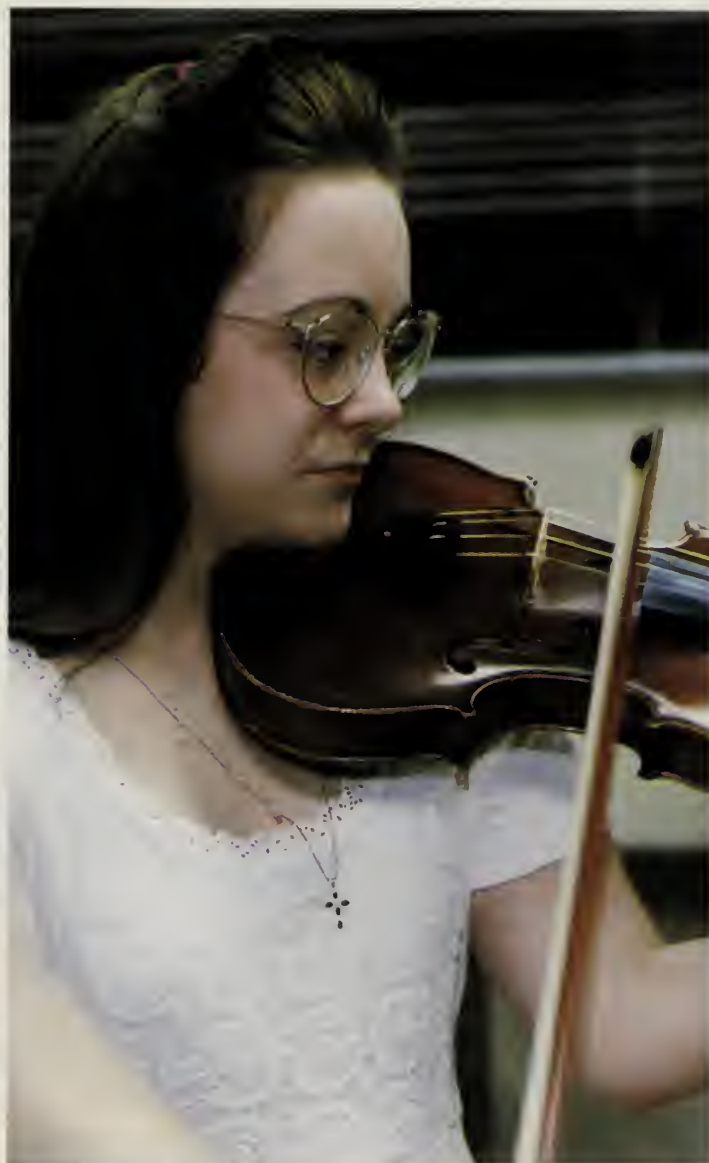

Kati Roesche displays her artistic ability as well as the patience and attention to detail need to produce a still life.

Andrea Arietti, Kim Bridge, Heather Dugan, Sarah Thompson. Katie Usher, and Denise Foley proclaim their present status to the world.

Mastery of the violin takes years of practice. Shannon Arsenault displays the skill that earned her the title of Class Musician.

In Automotive class, Steve Usher and Eric Dumoulin come together to solve a problem.

You're on the way up.

Oh, the places we'll go, Will we succeed? Yes, yes, it's guaranteed!

There were points to be scored, There were games to be won.

Oh, the fun that was done, The things that we tried.

Oh, the places We've been.

The places We'll go.

Dear Classmates,

Four years ago we entered a new world — the world of Fermi High School. Now, once again we will be entering a new world. Although we don't know what our futures hold for us, we can be sure that the knowledge we have gained from our teachers and one another will assist us in accomplishing all that we set out to achieve.

As a class we have enjoyed the good times, and have supported each other during the bad. The friendships we have made here will not be forgotten and will always be held close to our hearts. We have shared many special memories that will be cherished for a lifetime.

As we say good-bye to the halls of Fermi and venture to the paths that lead to our future, we can do so knowing that the Class of 1995 will be remembered for its spirit and enthusiasm, its intelligence, and for the accomplishments we have made. The times we have spent together are something special that we will carry with us wherever we may go. Have confidence in yourself, reach for your goals, and go out and make your dreams come true.

Best of luck in all you do,

Magazine Money

Seniors' Super Salesmen

Money, especially the lack of it, can really be a major obstacle during Senior Year. Cap and gown, yearbook, prom, classnight and senior picnic can drain the pockets and strain the resources of senior students. One solution to this financial woe is the Senior Magazine Drive. The intent of this fundraiser is to defray senior activity expenses and lighten the financial load.

This year's Senior Class again proved their worth, selling \$25,615.23 worth of issues, making thousands of dollars. Craig Hutchinson topped the list with a total of 653.49 in sales beating Tim Phelp's second place figure of 653.03.

Homeroom A203 won first place and the much coveted pizza bash. All in all, students helped lift their financial load and were ready to enjoy Senior Year activities.

An Exchange Of Culture *Program Benefits All In The Family*

Our Foreign Exchange Program here at Fermi is now in its 22nd year. The exchange students come from a variety of countries every year. The primary purpose of this program is to acquaint students with American living. The Fermi community also has an opportunity to find out about the way of life in the exchange students'

countries. Each student lives with a host family here in Enfield for an academic year and becomes involved in Fermi's academic and extra-curricular programs. The Exchange Program benefits everyone — foreign students, our students, our school and our community.

Reaching for a paper towel, Jose Torres peeks out from under his blindfold for the first time to see if he won.

Face In

As the first of many senior sponsored activities to take place throughout the year, the pie eating contest was fun for everyone! The contest was held during all three lunch waves where pairs of students signed up to compete. With their hands pinned at their sides, and blindfolds covering their eyes, their partners not so gently shoved plates full of pie and

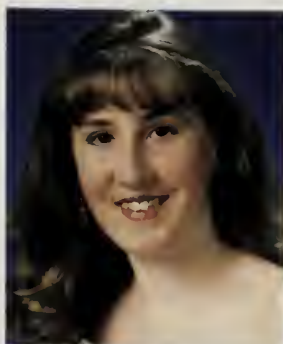

Who's that hiding behind that paper plate? It's Katie Usher getting a whipped cream facial from her friend.

Pausing for a moment, Brian Rago takes time to try and enjoy his mouthful of cherry pie.

The Class of '95 got together for the first time as seniors on the dance floor. They were joined by juniors, sophomores, and freshmen too. The dance gave many students a chance to strut their stuff. There was a really good turn-out for the first dance of the year. It got quiet after the football team left, but the rest of the crowd managed to keep it going until the end of the dance. Fermi proved that they had school spirit that night.

Seniors take a break from dancing, pose for the camera, and catch their second wind.

In Memory With Fondness

On September 12, 1992, Ryan Reale had his life taken away by a drunk driver. Those of us in the class of 1995 will miss his presence at graduation and we will never forget the great person he was. The following is a poem written by Ryan:

When you hang out with friends,
It's okay to raise your glass and cheer.
When you're drinking soda,
Not hard stuff, not beer.

Peer pressure everywhere,
Drinking's cool, some kids think.
Just follow your head,
You are cooler not to drink.

When someone offers you a beer,
Don't say ya, don't say maybe.
Say lighten up and
Get the right stuff, baby.

Ryan Reale 9/23/91

Dave Eisnor shared our life as a classmate and friend for ten years. During this, our senior year, we recall all the good times.

In Loving memory of David J. "Dave" Eisnor:

You will never be forgotten
Your love and memories
Will remain in our hearts forever.

We love and miss you,

Always,

Mom, Dad, and Brother Eric,

Your family and friends.

This year we had a new addition to our Fermi Family, our mascot, the Falcon. Our Falcon made appearances at many functions including sports games and our pep rally, and got the crowd involved in displaying their school spirit. Thanks to Pam Balgger, Erin Twitchell, and Jenn Hartman who displayed their enthusiasm throughout the year as the Fermi Falcon.

Our mascot wasn't always so groomed. To the right is the Fermi Falcon from 1977.

Students of Encuela Yelba Maria Antunez receive gifts on student's day.

Fermi Help

Continuing a tradition begun in 1987, Fermi students and staff again this year enthusiastically carried out several projects to provide help to their fellow students and teachers in the Central American City of Ocotal, Nicaragua, with whom we have formed a strong bond of friendship and mutual respect over the years. Coordinated by Planetarium Director and POPS Advisor, Mr. Yankee, and his wife, our gifts were shipped via Connecticut "Friends of Ocotal."

This year's generous donations for our Ocotal friends included F.B.L.A.'s contribution of \$200 for a set of reference books, charts and models featuring the year's nature topics: "Understanding and Preserving Our Earth"; the Senate-POPS-sponsored student collection of 800 bars of soap to help prevent the spread of cholera.

Students in Ocotal receive their gifts of tennis balls from the people at Fermi.

Children gather on a typical street in Ocotal.

Friends in Ocotal

the annual POPS-sponsored Great Christmas Pencil Wrap-Up of nearly 8,000 pens, pencils, markers, crayons, etc.; holiday greeting cards from Spanish classes; a special song dedicated by the Fermi chorus (a part of the holiday concert), video filmed for Ocotal; a collection of stuffed animals and educational toys sponsored by the Junior Class; a sturdy 3-wheeled adult tricycle with a large carrying basket donated through D.E.C.A.'s annual "Pennies for Ocotal" drive, and the purchase of badly-needed environmental books for school libraries via the fundraiser, "Ecology of Enfield & Ocotal."

As in previous years, letters and photos received from Ocotal express the delight of the children and the deep appreciation of students and teachers upon receiving Fermi's gifts. They tell of how our educational materials help children to learn in school, especially now in the high cost of school sup-

plies and tuition, and the adverse economic conditions in their country.

Once again, the Fermi Family can take great pride in knowing that their efforts continue to make an important difference in the lives of many hundreds of needy children and adults in Ocotal, who we have come to know and esteem through their letters and photos.

Sarah Dufour and Angela Dentamaro record the number of pencils that their homeroom brought in for the Pencils for Ocotal week.

JV Cheerleading

This year, the JV Cheerleaders were greeted with the arrival of a new coach, Charlie Martin, who was a cheerleader at the University of Kentucky. The girls did a great job cheering for the basketball team, and also looked great at the Thanksgiving Day football game when they cheered with the varsity squad. They have become very close as a squad and have had a lot of fun.

The JV Cheerleaders are caught in the middle of a cheer, showing their support for the basketball players and getting the crowd involved.

The National Honor Society is a group of students who demonstrate the qualities of achievement, leadership, and service. The Honor Society donates its time to community activities and participates in fund-raisers to raise money for local organizations and charities. The members of the Enrico Fermi High School NHS exemplify the ideal of true student-citizens.

WINTER CONCERT

Jazz Band

String Ensemble

Chorus

The band is a very intense and involved program in which many talented students take part in. Some of our many performances and accomplishments of the 1995-1996 year include: "Peach Festival" parade, "Four Town Fair", Big "E", UMASS Band Day, "Apple Festival" parade, Columbus Day Parade — Springfield, Columbus Day Parade — New York City, Scitico McDonald's grand opening, Hartford Hellcats game (half-time), St. Patrick's Day parade — Hartford, St. Patrick's Day parade — New Haven.

As you can see, the band has had a busy schedule all year. We also attended all of the home football games, and a few competitions where we performed our field show. In March we traveled to Nashville, Tennessee where we participated in a national competition. This has been a very successful year for us and we are proud of our performances and each and every member of our family.

Performances are this band's strong points. They display their showmanship at the Winter Holiday Concert.

Color Guard member Alison Preston stands tall as she twirls her flag during the band's half-time field show.

Traces

It's been a rather interesting year for us here on the Traces staff. We lost our adviser at the start of the year, so we've been doing this by ourselves. We almost thought we wouldn't get it out, but luckily we were wrong. It takes a lot of work to produce a yearbook, and there was a tremendous amount of effort and dedication shown on the part of the members of our staff. Although the picture below represents the core of the yearbook staff, there were also many other people who contributed towards the production of this book who shouldn't go unnoticed. They are as follows:

Karen Tersavich, Sarah Thompson, Jennifer Deane, Andrea Thompson, Kevin Schaefer, Jay Chung, Chrissy Jarema, Michael Strietelmeier, Brenda Tenerowicz, and Karey Kluczowski.

Special thanks goes out to Paul Almieda who supplied all of the artwork used in this book.

Back Row: Cory Bartholomew, Melissa Nadeau, Andrea Arietti, Heather Correll; Front Row: Michael Skrzyniarz, Jamie Scavatto.

While on her way to pick up the faculty pictures, Karen Tersavich finds herself trapped behind the stairway bars.

Fermi Ski Club

As the weather began to cool in the late Fall, the Fermi Ski Club began to stir. An informational meeting was held in November and club sign-ups began in early December. A total of 157 students signed up to participate in the Ski Club activities.

The Ski Club made a total of six trips to Berkshire East Ski Resort in Charlemont, Mass. every Friday night starting in early January. Much of the winter of 1995 was unseasonably warm and snowless because of an El Nino weather pattern. During a two week stretch in late January, temperatures rose into the 70's melting all the snow on the ski slopes and melting the ice from all the local ponds and lakes. However, because of the snow making ability of the ski area, the skiing conditions were surprisingly good and the club had to delay only one trip.

The Ski Club faculty advisors included Mr. Hodrinsky, Mr. Olson, Mrs. Cokkinias, Mr. Shea, Mr. Reveruzzi, and Mr. Maturo.

Right: When the yearbook staff asked Raoul Schmidt-LaMontain about his smuggling ski supplies overseas, he simply smiled . . . then he beat us with his ski pole.

Look! Rita DeAlba, Viraj Majmudar, and Christy Silver are okay despite falling off of the ski lift.

Video Yearbook

The video yearbook staff puts in many hours of copy work, interviewing, editing, and sound dubbing to document the history of the graduating class going from junior high school to the closing Safe Grad Trip to Boston Harbor. Since its creation in 1993, the staff compiles approximately 500 man hours of work on the video history of the class each year.

Also among its accomplishments are two first video awards for the Great American Smoke-Out sponsored by The American Cancer Society.

Encouraging student achievement, promoting Fermi Pride, and providing help to the needy were this year's major goals of the P.O.P.S. program. The sequence of related activities and contests began with the selection of volunteer Homeroom coordinators and alternates. Those selected to serve in this capacity found the experience an opportunity to develop leadership and organizational skills, valuable and useful tools that will be needed throughout life. Coordinators helped build self-esteem and school pride through leading their homerooms in various POPS events, many of which were followed by the traditional reward of munchkins and juice. Of special note is the one cold winter morning when POPS Advisor Mr. Yankee provided these treats to 13 different homerooms!

The introduction of the POPS STARS (Student Advisory Representative Committee, composed of 4 reps from each class, helped plan, coordinate and implement several projects.

The project with the greatest show of involvement was the first all-school Fermi Falcon photo at 7:45 am during Spirit Week. Coordinators were called upon to help their classes find the correct spot inside the outdoor "STARS" helped with details and holding the giant "FERMI" letters.

Throughout the year, students made beautiful school spirit banners and posters, helped Senate with the annual "Enfield Food Shelf" and "Soap, Ocotol!" collections, procured the donation of nearly 8,000 festively wrapped pencils and supplies for the needy children in Ocotol, and held the second fundraiser "Ecology Books for Ocotol & Enfield."

For the 6th year, the Fermi Fight Song contest generated great excitement. Over 120 students in Period 6 classes with Mrs. Homes, Mrs. McCarty, Mrs. Stoll and Mr. Gionfriddo were treated to a giant PIZZA PARTY.

Showcase exhibits featured "Students of the Month," birthday notices, school wide contest results, thematic displays, and student accomplishments. POPS stickers distributed to all students included: "Goals — Targets of Success" and "Caught Being Good" (as part of Ct. Good Deed Week).

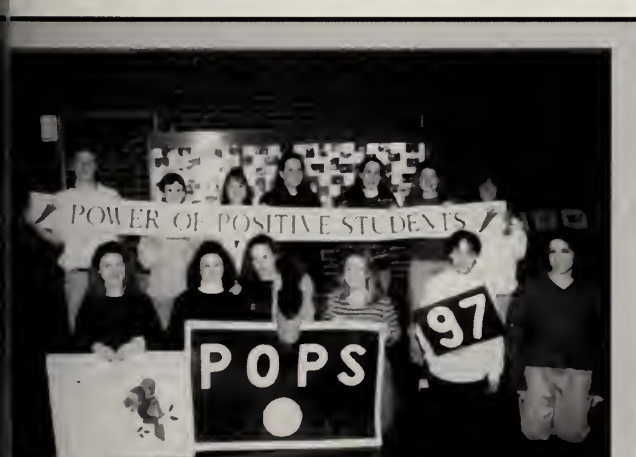

As in the past, this year's active participation of students and staff in POPS activities helped to make for the successful achievement of several school goals, providing the sense of pride reflected in our Fight Song: "WE ARE THE FERMI FALCONS . . . PROUD WE WILL ALWAYS BE!!"

The sophomore class brought a year of experience into their POPS contributions.

Even the freshmen show their spirit, but are eager to contribute more.

Fermi

Says Good-bye . . .

. . . to Coach John Mayo, who stood on the sidelines of the Fermi Falcons football team for a number of years. This season marked the end of his reign as the coach of the Falcons. He was an outstanding leader who taught his kids respect, discipline, and sportsmanship which was applicable to the players' lives both on and off of the playing field. For those who served under him, there will surely be a feeling of absence from the school grounds on each and every crisp autumn afternoon to come.

COMMENTS

Running is not all things to all people. Running is an individual experience, a sport for individuals who are interested in giving, not taking. There are few headlines for runners and even fewer cameras. Running to the skeptic is lonely and exhausting. Running to the devotees is lonely, exhausting, and uplifting. Our teams can't take time outs or even stop the race for an injury. Fermi's runners are good people with little recognition but they keep on running.

Girls' Soccer

The Girls' Soccer team had a good year finishing the season just shy of .500 with a final record of 8-7-1. The season began with a number of very close games in which Fermi came up short by only one goal. In their fourth game, the girls got win number one when they defeated Windham 2-1 in double OT.

The remainder of the season was filled with ups and downs. Tournament selection was dependent on Fermi winning their last 4 games, but unfortunately we came up one goal shy against Enfield High.

Hopes are high for next year with a number of varsity players returning. The team will miss the efforts of seniors: Kim Bridge, Kate Barmack, Rita DeAlba, and Shannon Crowley.

COMMENTS

The Fermi Boys Soccer Team, led by captains Brian Connolly, Ray Caron, and Ryan Yanosy, ended the season with a record of 10-5-1, the best in Fermi history. The team also qualified for the State Tournament for only the second time in the history of the High School. Five players were selected to the All-League team: Brian Connolly, Nick Hosig, Colin Daly, Garret Vose, and Ryan Yanosy. Ryan Yanosy also lead the conference in scoring with 16 goals and was selected to the Connecticut All-State Team. This was a record breaking year for the team and the best team Fermi has produced to date

Girls' Swim Team

The Fermi Girls' Swim Team won the C.C.C. East Championship for the second year in a row. Led by senior Jill Belding, sophomores Debbie Repass, Erin Quinlan, Sarah Steverman and Devon Aloisa again were the heart of the young championship team. The depth of juniors Jen Stanger, and Jodie Howland and a strong crop of freshmen led by Amanda Garvey, Abbey Pelkey, Katy Russell and Jill Jamgochian.

The Fermi girls dominated the league All-Star Team with Jill Belding, Debbie Repass, Erin Quinlan, Devon Aloisa, Jodie Howland and Amanda Garvey. We had at least one person or relay team on each event. The team finished with a 10-2 record and has been undefeated in the C.C.C. We started our year this summer at a cheerleading camp in Boston. Our achievements included winning many outstanding and excellent ribbons, winning team spirit awards, having the honor of two members of our team, Melissa Nadeau and Jessica Rogerson being named as All-Star Cheerleaders, and the prestigious distinction of winning the Leadership award. The football season that followed was very successful for us, and we had a lot of fun. Basketball season was just as great and really bonded us as a team. We worked together all year to produce a team that was both spirited and a pleasure to view.

With hands on hips, smiles on lips, and spirit in their hearts, the cheerleaders get ready to start a cheer.

Using their strength and energy, the cheerleaders build an impressive looking mount.

COMMENTS

This has been a great year for us. Throughout the season we've kept the squad together, especially by encouraging PMA (Positive Mental Attitude). We have offered support and guidance to all of our cheerleaders, and they have become like family. We will miss them next year when we leave, because the bonds we have made will endure a lifetime. We will never forget our fun-filled days of cheering at Enrico Fermi High School.

FERMI SWIM TEAM OVER ACHIEVES THE SECOND YEAR IN A ROW

This years' team finished with a 7-5 record, coming off last years 7-4. The team is in a three year rebuilding phase where some power swimmers are a couple of years away from high school. But to the amazement of others teams in the league and even their own surprise the Falcon Swimmers have improved in every event, with every swimmer. The team is made up with eight Fermi swimmers, three Enfield swimmers, and Ignacio Arevalo from Spain. Captain Ben Steverman, at press time, was close to breaking the Butterfly school record as was Brendan Donahue about to break both freestyle sprint records. The strength of the team lied in juniors Sean Walsh, Allstar Breaststroker, and Tim O'Connell Allstar 500 Freestyler. The future lies in the rise of the years most improved swimmer Bobby Orefice, along with the Freshman Duo of Tim Tyler and John Dague. The backbone of this years team was the great improvement of Matt Hartly and Tommy Clark who both became highly improved swimmers. At press time the Fermi Swimmers were training for the league championships where they will try to match the team record of 19 won back when Ben Steverman and Brendan Donahue were Freshmen and the future looked poor due to many graduating Seniors.

Falcon Wrestling

Under the direction of first year co-head coaches Jeff Beiler and Ernie Goodwin, the Falcons finished this season with a dual meet record of 7-11. This was a tremendous accomplishment, having only 2 Seniors (Don Sim and Keith Munroe) and competing with seven Sophomores in the Varsity line-up. The underclassmen gained some very valuable varsity experience while showing a great amount of potential, so look out!! Our team highlights included big wins over Weaver and Hartford Public, as well as our cross town rival Enfield High.

Our top individual wrestlers were:

Junior Rob Merrill (103 lbs). Rob finished with an overall record of 19-5. He finished 1st in the East Catholic Tournament, 2nd in the Somers Tournament and 4th in the Class "L's."

Sophomore Bobby Wood (112 lbs). Bobby finished with an overall record of 13-2. He took 1st in the Farmington Valley Tournament and finished 6th in the Class "L's."

Senior Tri-Captain Don Sim (130 lbs). Don had an overall record of 16-10. He finished 2nd in the East Catholic Tournament and 5th in the Class "L's."

Junior Tri-Captain Matt Hebert (135 lbs). Matt had a record of 19-4, earning a 2nd place finish at the Farmington Valley Tournament, 1st in the East Catholic Tournament (named the Tournament's Most Outstanding Wrestler), finished 4th in the Class "L's" and 5th in the State Open Tournament.

Senior Tri-Captain Keith Munroe (152 lbs). Keith finished with a record of 11-15. Keith earned a 3rd place finish at the East Catholic Tournament.

LET A GREAT ITALIAN WINE AND DINE YOU.

At The Olive Garden, dinner is just what you'd expect from a great Italian. It's fresh homemade pastas, delicious entrees and winning combination platters. It's great wines you can enjoy by the glass. And best of all, it's all affordable. So come let a great Italian make your dinner — and your night.
